

eScrip Grocery Cards

In addition to Safeway two of our local grocery stores, Oliver's and Molsberry Market also participate in the eScrip program.

Lucky's and Food Max have a S.H.A.R.E.S card where 3% of qualified purchases will support our school and Raley's has a Quality of Life card where 1% to 4% depending on how much you spend in a month is donated to our school.

If you are interested in any of these cards, please complete the information below and email it to rieblipta@yahoo.com and the card(s) will sent home in your child's Friday folder. You can also request cards for friends and family by providing their names and email addresses.
